

Love, Share, and Invite

October 2020

“The gathering of Israel is the
greatest challenge, the
greatest cause, and the
greatest work on earth today”

President Russell M. Nelson
Worldwide Youth Devotional, June 3, 2018

Background

The Quorum of the Twelve Apostles has approved guiding principles to help members and missionaries in their efforts to gather Israel consistent with the instruction from the May 26, 2020 letter.

During the pandemic, significant adjustments have been made in how missionaries find and teach, especially in their use of technology.

These changes enable members to share the gospel in a way that is natural, loving and with a broader reach.

These changes encourage members to invite missionaries to meet with their friends when their friends are ready.

Guiding Principles

Love

“I love my Heavenly Father and His Son, Jesus Christ, and feel their love for me. I follow the Savior and strive to love my neighbor as He does. I want others to feel the love of Heavenly Father and Jesus Christ.”

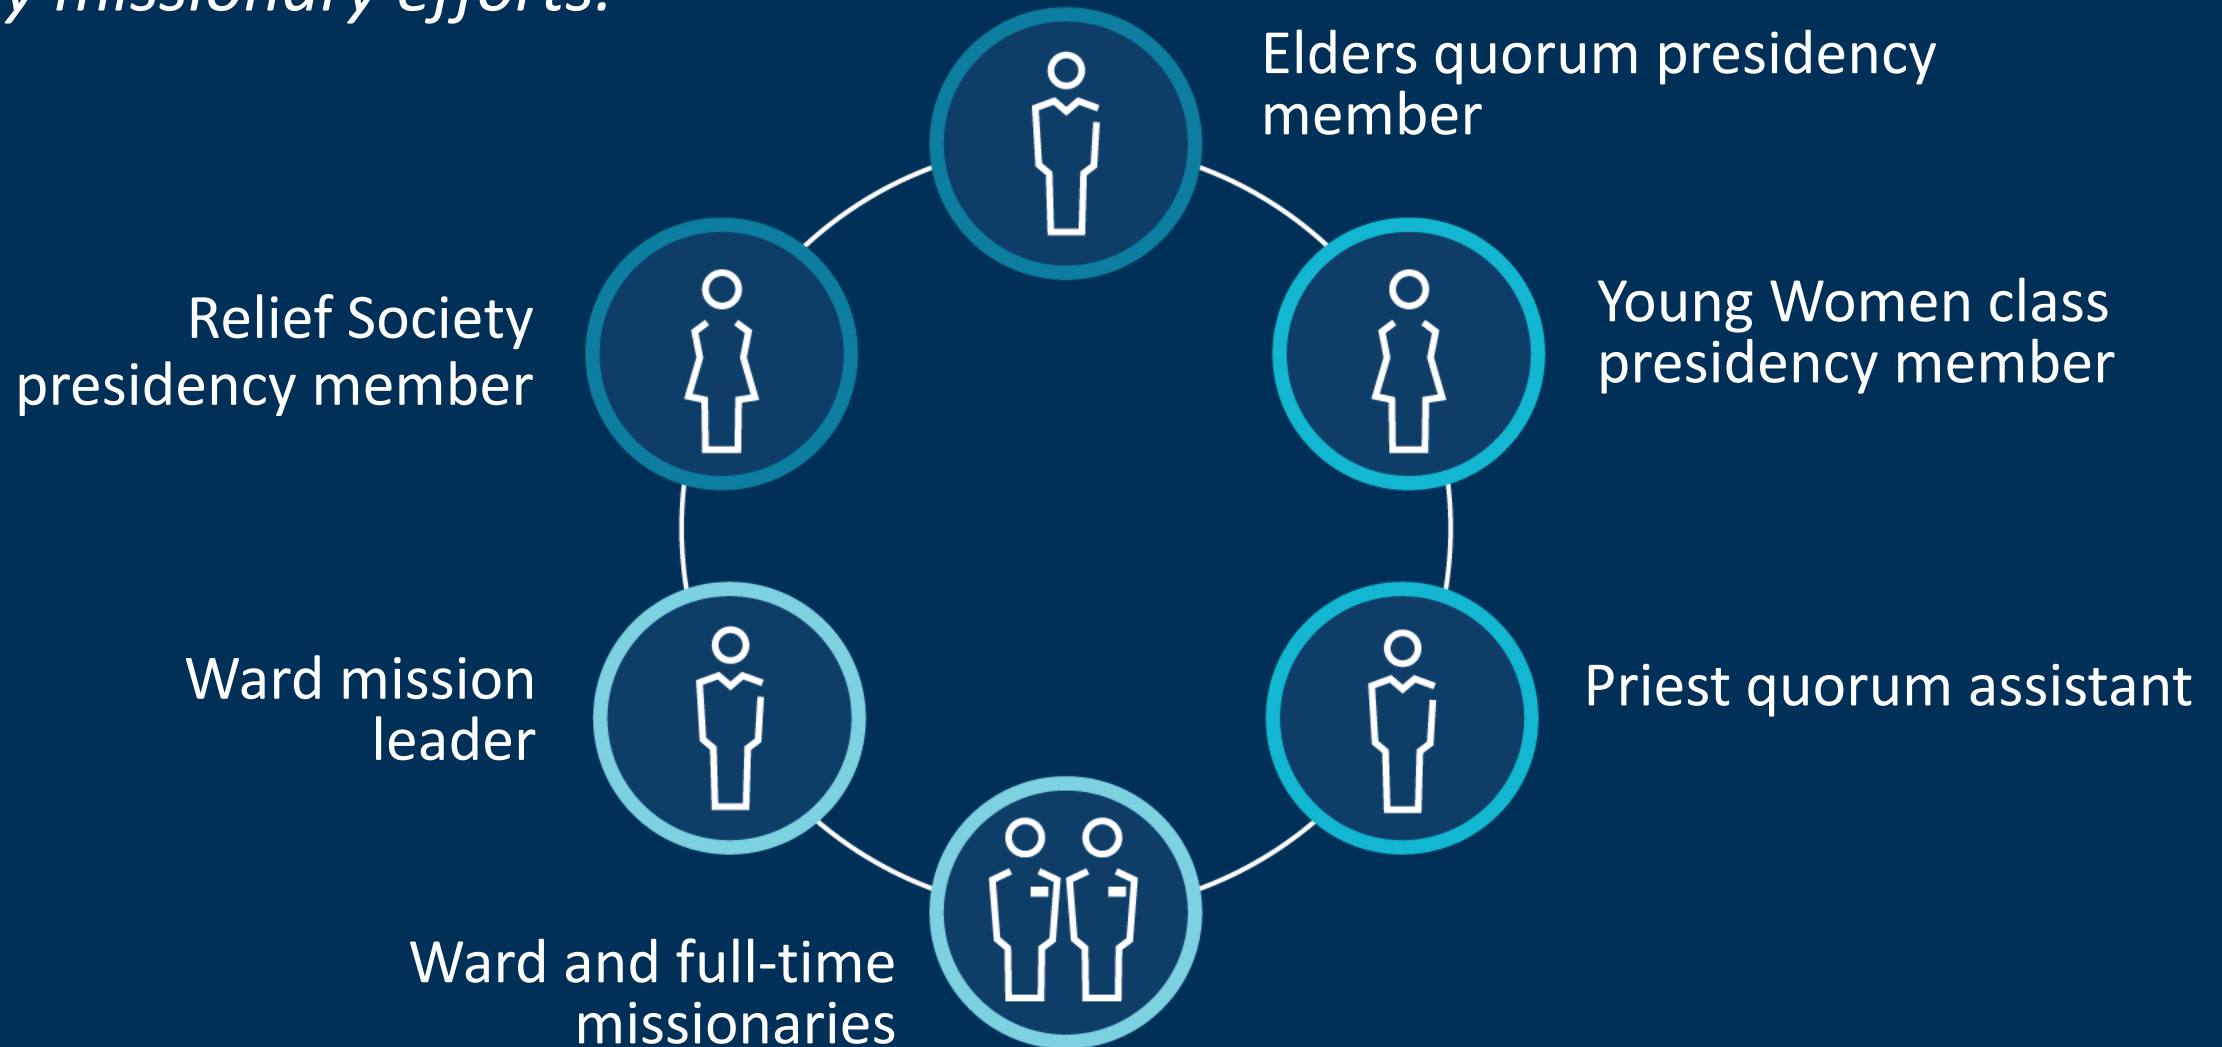

Share

“As a faithful disciple of Jesus Christ, I let His light shine by serving others. I share my time, Church resources, and personal experiences to bless my friends and their families. I want them to feel the joy that comes from the Savior, His gospel, and His Church.”

Invite

“I pray for inspiration and courage to know how to invite my friends to ‘come and see’ and feel the goodness of the restored gospel and Church of Jesus Christ. I invite them to ‘come and help’ us serve God’s children. I invite them to ‘come and belong’ to His Church.”

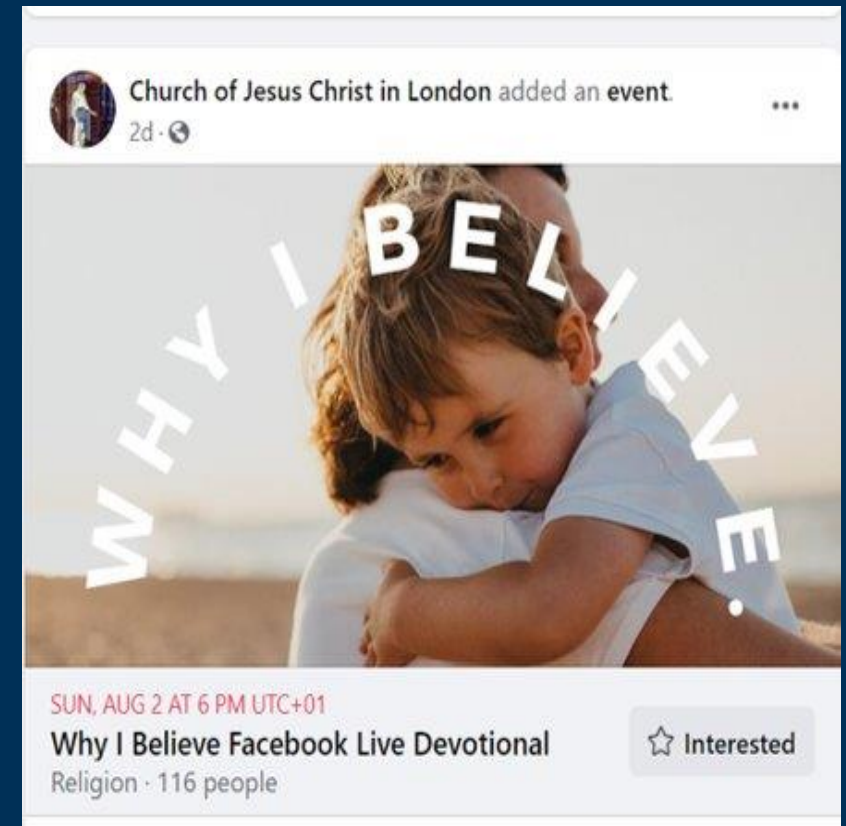

Elders quorum and Relief Society presidencies are coordinating the day-to-day missionary efforts.

Member Missionary Opportunities

Missionaries are successfully using online opportunities to share the gospel. This works best when members:

- Participate with missionaries in virtual or remote teaching
- Use their own social media accounts and partner with missionaries' online finding efforts
- Use Share Light and other online resources (share.churchofjesuschrist.org)
