Stake, Mission, and District Presidents; Bishops and
Branch Presidents; Elders Quorum Presidents; and Stake
and Ward Relief Society Presidents

From: Priesthood and Family Department (1-801-240-2134)

Subject: My Plan Updates

In August of 2019, missionaries speaking English, Spanish, and Portuguese were given access to My Plan. This online course helps missionaries plan for and successfully return home. The course also prepares them for a post-mission group experience during which they will meet with other recently returned missionaries and discuss the contents of *My Plan for Returned Missionaries*.

The following adjustments have been made to the My Plan experience:

- The resource *My Plan: A Guide for the Returned Missionary and Mentor* is now available in Gospel Library under the Young Adults folder in English, Spanish, and Portuguese. This new version replaces *My Plan for Returned Missionaries* which will be removed from the Gospel Library.
- Elders quorum and Relief Society presidents should work with the returned missionary in the selection and assignment of a mentor. Review the sections [To the Mentor](#) and [Working with Your Mentor](#) when considering a mentor for a returned missionary. If desired, stake and ward leaders may also hold a group meeting with recently returned missionaries using *My Plan: A Guide for the Returned Missionary and Mentor* as a resource.
- Several videos have been prepared to help youth and missionaries understand how missionary service can prepare them for life. The videos feature Elders Jeffrey R. Holland and Quentin L. Cook, who were former missionary companions. These videos are available in English in Gospel Library (Youth folder, Mission Preparation, Serve and Prepare Videos) and the Missionary Portal.
- Home stake presidents and bishops of a returning missionary will now receive an email notifying them of a missionary's return date and a link to the missionary's completed transition plan. To ensure this communication system is effective, mission leaders should encourage missionaries to complete the My Plan online course.
